Proposed changes to Denny Street carpark

In response to requests from the community, the Council is looking into the viability of installing a new loading zone parking bay in the Denny Street carpark.

To accommodate this, one of the five existing disabled parking bays would need to be moved from its current position on the western side of the public toilet block to the front row of the eastern end of the car park. This space provides a link to the walkway to Carrier Street.

We are now seeking your input on the proposed parking changes. All feedback is welcome and important. Please share this with those who you feel may be impacted by the change.

You can have your say on the proposed parking changes to the Denny Street carpark by contacting the Council's

Customer Service Centre on 5760 2600, by emailing council@benalla.vic.gov.au or by filling out the feedback form at www.benalla.vic.gov.au

Easter Waste Collection

There will be changes to your bin collection schedule over the Easter holiday period.

Monday 26 March – Wednesday 28 March:
Collection schedules as normal

Thursday 29 March:
Usual Thursday collection PLUS usual Friday collection

Friday 30 March:
Good Friday. No collection

Monday 2 April:
Easter Monday. Collection schedules as normal

This means that if your bins would normally be collected on Friday 30 March, you will need to ensure they are out and ready for collection on Thursday 29 March.

Go to www.benalla.vic.gov.au for more information

March is Entrepreneurship Month

Benalla is a great place for entrepreneurs. Local talent, a diverse and inclusive culture and liveability combine to create a perfect environment for small business to flourish.

In March, the Council is running a series of programs designed to help budding entrepreneurs to develop their skills. If you have an idea for a business, or would like more information on business workshops or events, contact the Council's Customer Service Centre on 5760 2600.

Stage 3 of the Benalla Airport Masterplan complete

The Benalla Airport parallel taxiway has been completed as part of Stage 3 of the Benalla Airport Masterplan. The new section alleviates the aircraft traffic congestion at the Airport Hangar Precinct, allowing aircraft to move to and from the hardstand to the runways more freely.

The benefits for aircraft, including gliders, include a reduction in delays while waiting for other aircraft.

This project is jointly funded by the Australian Government through the National Stronger Regions Fund, the Victorian Government and the Council.
