Responsible Officer:	General Manager Corporate
Document type:	Council Policy
Reference:	CP 15
Date Approved by Council:	26 August 2020
Date of next review:	September 2022

Policy Objective

- To establish the basis upon which Councillors will be reimbursed for expenses in undertaking their role as a Councillor
- To establish support provided to Councillors for approved activities
- To establish levels of reimbursement which may be claimed by Councillors.

Section 39 of the *Local Government Act 2020* (the Act) provides for allowances payable to the Mayor and Councillors, and Section 40 for reimbursement of out of pocket expenses to Councillors and members of Delegated Committees performing Council business. In recognition of the special role of Mayor, the policy provides for the provision of some additional facilities and expenditure specific to the Mayoral office.

The Policy is consistent with the Victorian Government's Information guide for the Reimbursement of Expenses and Provision of Resources and Facilities Support for Victorian Mayors and Councillors.

Principles

The fundamental test to be applied in determining whether or not a Councillor expense is appropriately incurred is whether the expenditure is necessary, supplementary or incidental to, or consequent on, the exercise of Council duties.

Official duties of a Councillor are defined for the purpose of this policy as duties performed by a Councillor that are necessary or appropriate for the purposes of achieving the objectives of a Council having regard to any relevant Act, regulations, Ministerial Guidelines or Council policies.

Expenses incurred by Councillors when acting in a private capacity will not be reimbursed or paid.

Any costs incurred by a Councillor which are not covered specifically within the policy will not be met, unless the Councillor has received prior written authorisation from the Chief Executive Officer.

Reimbursement claims will not be processed without appropriate supporting evidence.

Expenses must be claimed no later than the month following the occurrence of the expense. Claims outside this timeframe will not be considered.

Councillors must not use Council provided materials and/or facilities for election purposes. This applies to their own candidature or in assisting the candidature of others.
