## **INTRODUCTION**

As custodians of the Rural City of Benalla, Councillors hold a unique and important role within Victoria. They have been democratically elected to provide leadership for the good governance of the municipality and the local community as recognised in the *Local Government Act 2020* (the Act). This Act describes how the Council will be accountable in the performance of its functions, the exercise of expected standards of conduct and behaviour and the use of resources.

The community expects its Council to provide fair, accurate and unbiased advice, to act responsively and to manage assets efficiently. To assist in meeting these expectations section 139 of the Act requires councils to adopt a code of conduct to be observed by Councillors.

Accordingly, Benalla Rural City Council operates under two codes of conduct – one for Councillors and one for staff. The two codes are clearly linked, with common principles, but they also distinguish the expectations of Councillors as elected representatives, from those of staff who are employees of the Council.

## **PURPOSE AND COMMITMENT**

At Benalla Rural City Council, elected Councillors are committed to work together in the best interests of the people within the Benalla municipality to the highest standard of behaviour and to discharge their responsibilities to the best of their skill and judgement.

As part of this commitment, all Councillors will adhere to conduct principles, values and behaviours outlined in the Councillor Code of Conduct (the Code). A commitment to working together constructively will enable the achievement of Benalla's vision in a manner that is consistent with the core values.

Councillors are committed to the Standards of Conduct outlined in this Code.

The Code sets out:

1. the Councillor Charter
2. the standards of conduct
3. dispute resolution processes.

## 1 KEY ROLES AND RESPONSIBILITIES

### 1.1 Roles

An understanding and agreement of the different roles within Council helps achieve good governance. The key roles are outlined below.

The Benalla Rural City Council comprises seven Councillors who are democratically elected by the community, in accordance with the *Local Government Act 2020*.

The primary role of the Council is to provide good governance in its municipal district for the benefit and wellbeing of the municipal community. Council must perform its role in accordance with the Overarching Governance Principles.

#### Overarching governance principles and supporting principles

- (1) A Council must in the performance of its role give effect to the overarching governance principles.
- (2) The following are the overarching governance principles—
  - (a) Council decisions are to be made and actions taken in accordance with the relevant law;
  - (b) priority is to be given to achieving the best outcomes for the municipal community, including future generations;
  - (c) the economic, social and environmental sustainability of the municipal district, including mitigation and planning for climate change risks, is to be promoted;
  - (d) the municipal community is to be engaged in strategic planning and strategic decision making;
  - (e) innovation and continuous improvement is to be pursued;
  - (f) collaboration with other Councils and Governments and statutory bodies is to be sought;
  - (g) the ongoing financial viability of the Council is to be ensured;
  - (h) regional, state and national plans and policies are to be taken into account in strategic planning and decision making;
  - (i) the transparency of Council decisions, actions and information is to be ensured.
- (3) In giving effect to the overarching governance principles, a Council must take into account the following supporting principles—
  - (j) the community engagement principles;
  - (k) the public transparency principles;
  - (l) the strategic planning principles;
  - (m) the financial management principles;
  - (n) the service performance principles.

## 1.2 Councillor/Organisation Relationship

The Council of the Benalla Rural City consists of democratically elected Councillors (the electoral arm) and the organisation/staff (the operational arm).

Good governance is dependent on how well the relationship between the elected members and the organisation works, as well as mutual respect and understanding between Councillors and Officers in relation to their respective roles, functions and responsibilities.

Councillors need to be aware of the requirements of section 124 of The Act and must not intentionally direct, or seek to direct, a member of Council staff in the exercise of their duties. This provision also applies in respect of Officer reports presented to Council and on directing staff under delegation or as an Authorised Officer. It is important to note that section 124 applies to Councillors even when acting in a group outside formal Council or delegated committee meetings such as at Councillor Briefings (Assemblies of Councillors).

To achieve good governance, clear and effective communication protocols for Councillors and Council staff are essential. In accordance with the *Benalla Rural City Council Councillor - Staff Interaction Policy*, the following applies to Councillor/Staff relationships:

- Acknowledgement that the CEO is responsible for all administrative and staff matters and that all staff are answerable to the CEO, therefore Councillors' primary point of communication should be with the CEO.
- Councillors will refrain from using their position to improperly influence members of staff in their duties or functions, or to gain an advantage for themselves or others.
- Councillors will treat staff in a professional and respectful manner at all times.
- Provide and maintain a working environment that is safe and without risks to health and take appropriate measures to eliminate discrimination, sexual harassment or victimisation so far as is reasonably practicable.
- Councillors seeking information on a specific matter should do so via the CEO or the relevant Director in accordance with the Councillor/Staff interactions protocols
- Contact with Managers is appropriate where Councillors are seeking clarification or further specific information on a particular matter.
- Councillors are to lodge resident or Councillor requests with the Executive Customer Support Officer for logging into the Customer Request Management (CRM) system.

There may be times when individual Councillors disagree with a majority decision of Council. Individual Councillors are entitled to express their own independent views, however, this should not be done in a way that reflects negatively on other individual Councillors or the Council as a whole.

Council will be open and transparent in its decision making and encourage community participation in Council Meetings.

To ensure constructive decision-making and communication of Council decisions, Councillors will:

- Commit to making all decisions impartially and in the best interests of the community
- Make fair and unbiased decisions by adhering to the principles of natural justice.

### **Social media**

Councillors need to ensure that the use of social media minimises exposure of Council and Councillors to legal and reputational risk.

When using social media councillors need to have at the forefront of their minds their obligations under the Code of Conduct. The Code of Conduct applies to online activity in the same way it does to other written or verbal communications. This means three key things:

2. be fair and open minded
3. be accurate.

## **4.2 Gifts, Benefits or Hospitality**

Councillors should avoid situations giving rise to the appearance that a person or body, through the provision of gifts, benefits or hospitality of any kind, is attempting to secure favourable treatment. Councillors must be aware of their responsibilities relating to gifts, hospitality and donations.

## **4.3 Conflict of Interest**

Each Councillor is required to identify, manage and disclose any conflicts of interest they may have. Councillors therefore recognise the importance of fully observing the requirements of the Act in regard to the disclosure of conflicts of interest and will comply with requirements of the Act in regard to conflicts of interest. The Council Expense Policy provides further guidance on the use of council resources.

## **4.5 Council's Planning Process**

Councillors must ensure that land use planning, development assessment and other regulatory decisions are properly made, and that all parties are dealt with fairly. You must avoid any occasion or situation where there may be a suspicion or perception of improper conduct in the exercise of land use planning, development assessment and other regulatory functions.

In exercising land use planning, development assessment and other regulatory functions, Councillors must ensure that no action, statement or communication between themselves and others conveys any suggestion of willingness to improperly provide concessions or preferential or unduly unfavourable treatment.

When proposing to meet with a planning permit applicant, either for the purpose of discussing the application or where the application is likely to become a topic of discussion, Councillors should seek a meeting via the Planning Manager/Co-ordinator to ensure a Council planning officer is present.

### 5.2 Directing a member of Council staff

Councillors must not use their position to influence Council staff in the performance of their public or professional duties to obtain a private benefit for themselves or for somebody else.

Councillors must not take advantage (or seek to take advantage) of their status or position with or of functions they perform for Council in order to obtain a private benefit for themselves or for any other person or body.

Councillors acknowledge and agree to comply with their obligations in regard to improper direction and improper influence section 124 of The Act.

## 5.3 Confidential information

Councillors have access to council information necessary for them to carry out their roles properly. However, a Councillor must remain impartial and must not use council information to gain advantage for themselves or any other person. Information is 'confidential' for the purposes of *the LGA* if it is:

- provided for a closed council or delegated committee meeting;
- designated confidential by resolution of a council or delegated committee; and
- designated confidential by the CEO.

Information discussed at a closed meeting is confidential. Unless the information is already publicly available, Councillors must not talk about anything discussed at the meeting with people who were not present. (section 125 of the Act).

## Part 3 Dispute Resolution

---

**Councillors have an individual and collective responsibility to try every avenue possible to resolve such disputes in house and from allowing them to escalate further.**

This dispute resolution procedure is intended to be used:

1. when Councillors have been unable to resolve an interpersonal conflict and where the situation is unduly affecting the operation of the Council or
2. to manage complaints or concerns regarding the behaviour of Councillors from the public or Council staff.

It is not intended to resolve differences in policy or decision-making, which are appropriately resolved through discussion and voting in Council and Committee Meetings.

Where the dispute arises from a complaint generated by a member of the public or Council staff, access to the dispute resolution process under this Code is only possible where a Councillor or group of Councillors takes up the complaint about another Councillor on behalf of the complainant.

Benalla Rural City Council's grievance resolution procedure comprises four components, namely:

- 1) Self Resolution
- 2) Mayoral Negotiation
- 3) External Mediation
- 4) Request for Councillor Conduct Panel.

### 6.1 Self Resolution

Councillors must take personal responsibility and endeavour to resolve their differences in an informal, but at all times, courteous and respectful manner, recognising that they have been elected to represent the best interests of the community.

### 6.2 Mayoral Negotiation

If the informal resolution process between the Councillors is unsuccessful, the Mayor should be involved as soon as practically possible to convene a meeting of the parties.

A dispute referred for Mayoral negotiation may relate to:

- an interpersonal conflict between Councillors where the conflict is or is likely to affect the operations of the Council; or
- an alleged contravention of the Councillor Code of Conduct.

The party requesting the Mayoral negotiation meeting is to provide the Mayor with the name of the other Councillor and the details of the dispute in writing. The written request is to

indicate that it is for a “Mayoral negotiation” dispute resolution process. Where the request relates to an alleged contravention of the Councillor Code of Conduct, the request must:

- specify the name of the Councillor alleged to have contravened the Code;
- specify the provision(s) of the Code that is alleged to have been contravened;
- include evidence in support of the allegation;
- name the Councillor appointed to be their representative where the request is made by a group of Councillors; and
- be signed and dated by the requestor or the requestor’s representative.

Within five working days of receipt of the complaint, the Mayor will:

- provide written acknowledgment of receipt of the complaint to the Complainant.
- provide a copy of the complaint to the Councillor concerned; and
- attempt to facilitate a resolution and convene a meeting.

The Mayor may call upon the Councillor Conduct Officer (CCO)<sup>1</sup> for advice and guidance at this point in the process.

The role of the Mayor at the meeting is to provide guidance to Councillors about what is expected of a Councillor including in relation to the role of a Councillor under section 28 of the Act, and the observation of the Councillor Standards of Conduct and the Councillor Code of Conduct.

The Mayor is to document any agreement reached at the meeting. Copies of the agreement are to be provided to both parties. Where one party does not comply with the agreement, the other party has recourse to external mediation.

If the parties cannot resolve the dispute at the meeting, a further meeting may be convened with the consent of both parties. Where the dispute remains unresolved, the parties should progress to external mediation.

### **6.2.1 Dispute between Councillors and the Mayor**

In the event that the dispute involves the Mayor, the Deputy Mayor or other Councillor nominated by Council resolution will perform the role of the Mayor in facilitating discussions between the parties in dispute and liaising with the CCO.

## **6.3 External Mediation**

If reconciliation of the dispute is not possible after Mayoral negotiation, it is the responsibility of the Mayor to seek assistance from an external mediator to resolve the dispute, preferably with the active support of the parties to the dispute, who must be informed of such a decision in any circumstance.

A Councillor or a group of Councillors may make an application for a dispute to be referred for external mediation whether or not the dispute has been the subject of an application for “self resolution”.

---

<sup>1</sup> The appointed Councillor Conduct Officer is the General Manager Corporate

The applicant is to submit a written application to the CCO setting out the name of the Councillor and the details of the dispute. The application is to indicate that the application is for an “external mediation”. Where the application relates to an alleged contravention of the Councillor Code of Conduct, the application must:

- specify the name of the Councillor alleged to have contravened the Code
- specify the provision(s) of the Code that is alleged to have been contravened
- include evidence in support of the allegation
- name the Councillor appointed to be their representative where the application is made by a group of Councillors
- be signed and dated by the applicant or the applicant’s representative.

The applicant is to notify the other party of the request and provide him or her with a copy of the application either at the same time that it is submitted to the CCO or as soon as practical thereafter.

The CCO is to ascertain (in writing) whether or not the other party is prepared to attend an “external mediation”. If the other party declines to participate in an external mediation, he or she is to provide their reasons for doing so in writing to the Councillor Conduct Officer. These reasons may be taken into account if the matter is, subsequently, the subject of an application for a Councillor Conduct Panel.

When the other party declines to participate in an external mediation, this does not constitute a contravention of this Councillor Code of Conduct.

If the other party agrees to participate in an external mediation, the CCO is to advise the applicant, the Mayor and Chief Executive Officer immediately.

The CCO is to engage the services of an external mediator to conduct the mediation at the earliest practicable opportunity.

The mediator is to document any agreement reached at the meeting. Copies of the agreement are to be provided to both parties. Where one party does not comply with the agreement, the other party has recourse to the internal resolution procedure where the matter relates to an alleged contravention of the Councillor Code of Conduct.

If the parties cannot resolve the dispute at the meeting, a further meeting may be convened with the consent of both parties. Where the dispute remains unresolved, the applicant has recourse to the internal resolution procedure where the matter relates to an alleged contravention of the Councillor Code of Conduct.

  - (d) any requirements prescribed by the regulation

#### 7.1 Making an Application

An application for an internal arbitration process to make a finding of misconduct against a Councillor may be made by:

- the Council following a resolution of the Council; or

An arbiter:

- (a) may hear each party to the matter in person or solely by written or electronic means of communication; and
- (b) is not bound by the rules of evidence and may be informed in any manner the arbiter sees fit; and
- (c) may at any time discontinue the hearing if the arbiter considers that
  - (i) the application is vexatious, misconceived, frivolous or lacking in substance; or

  - (b) there is sufficient evidence to support an allegation of a breach of the Councillor Code of Conduct as specified in the application.
- (2) The Principal Councillor Conduct Registrar must reject an application if the Principal Councillor Conduct Registrar is not satisfied under subsection (1)(a) or (b).
- (3) The rejection of an application by the Principal Councillor Conduct Registrar under this section does not prevent a further application being made under section 143 in respect of the same conduct by a Councillor that was the subject of the rejected application.
- (4) Information provided to an arbiter or produced by an arbiter for the purpose of an internal arbitration process, other than the findings and the reasons, is confidential information.

## **7.3 Arbiter must refer certain applications**

- (1) If, at any time before, during or after the hearing of an application for an internal arbitration process, the arbiter believes that the conduct that is the subject of the application for an internal arbitration process appears to involve serious misconduct and would more appropriately be dealt with as an application under section 154, the arbiter must refer the matter in writing to the Principal Councillor Conduct Registrar.
- (2) If the Principal Councillor Conduct Registrar receives a referral under subsection (1), the Principal Councillor Conduct Registrar must notify the parties to the application for an internal arbitration process that the matter has been referred by the arbiter.

## **7.4 Sanctions that may be imposed by an arbiter on finding of misconduct**

- (1) If after completing the internal arbitration process, the arbiter determines that a Councillor has failed to comply with the prescribed standards of conduct, the arbiter may make a finding of misconduct against the Councillor.
- (2) If an arbiter has made a finding of misconduct against a Councillor, the arbiter may do any one or more of the following—

  - (e) direct a Councillor to attend or undergo training or counselling specified by the arbiter.
- (3) The arbiter must provide a written copy of the arbiter's decision and statement of reasons to—
  - (a) the Council; and
  - (b) the applicant or applicants; and
  - (c) the respondent; and
  - (d) the Principal Councillor Conduct Registrar.
- (4) Subject to subsection (5), a copy of the arbiter's decision and statement of reasons must be tabled at the next Council meeting after the Council received the copy of the arbiter's decision and statement of reasons and recorded in the minutes of the meeting.
- (5) If the arbiter's decision and statement of reasons contains any confidential information, the confidential information must be redacted from the copy tabled under subsection (4).

## **8 No Applications during Election Period**

An application cannot be made for an internal resolution procedure during the election period for a general election. Any internal resolution procedure that is in progress is to be suspended during the election period for a general election.

If the respondent to an application for an internal resolution procedure is not returned to office as a Councillor in the election, the application lapses. If the respondent is returned to office in the election, the application may resume if:

- the application was made by the Council and the Council so resolves; or
- the application were made by a group of Councillors and any one (or more) of those Councillors who has been returned to office wishes to proceed with the application; or

All applications (supported with evidence) to establish a panel to hear allegations of misconduct or serious misconduct must go to the registrar. The panel must be established if the registrar is satisfied that the application is not frivolous or misconceived or lacking in substance, is supported by evidence and council processes have been fully exhausted or are not appropriate.
